E. M. JOHNSON,

E. M. DWIGHT,

R. E. PURRINGTON,

Overseers of the Poor.

REPORT OF THE BOARD OF HEALTH

Fellow Citizens:

There have been reported to the Board of Health during the year 1922, 1 case of measles, 2 of diphtheria, 4 of tuberculosis and 7 of scarlet fever.

During the summer term of school at Griswoldville there was an outbreak of itch, which is not a disease reportable to the Board of Health.

After a time it became necessary for the School Officials to appeal to the Board for Cooperation in combatting the spread of the disease.

After a few weeks by our combined efforts the disease was stamped out without any new cases appearing in the present school year.

There has been no serious epidemic of any disease in town during the year.

Respectfully submitted,
E. M. JOHNSON,
E. M. DWIGHT,
R. E. PURRINGTON,
J. W. CRAM, M. D. Agent
and Secretary of Board.

REPORT OF LIBRARIAN

To the Trustees of the Griswold Memorial Library:

Herewith is submitted the report of the Librarian for the year ending December 31, 1922.

The Library has been open the usual hours during the year. The total circulation has been 6,161 volumes, adult 4,404, juvenile 1,757, an increase of 481 over last year.

We have received from the Massachusetts Library Commission thirty one books and subscriptions to the following magazines: Little Folks, St. Nicholas, American Boy, National Geographic and Technical Engineering News. The commission has also sent us certified reading lists for grades from three to eight inclusive. When a child has read five books on the list he receives a certificate, each child being entitled to three certificates. This is to stimulate the desire for good reading among the children. We have received five books of fiction from Mr. Russell, and three other books from authors and publishers. The traveling library loaned by the Woman's Educational Association of Boston has been returned.

Subscriptions have been entered for the following magazines: Harper's, Atlantic Monthly, Review of Reviews, and a new lot of books sent for another year. American, Ladies' Home Journal, McCall's, Delineator, Good Housekeeping, Woman's Home Companion, Modern Priscilla, and Popular Science Monthly.

Respectfully submitted,

BERTHA L. READ

Librarian.
